

## Milyki Ring Size Guide

This document is intended to be printed before usage. Before printing, ensure that Page Scaling is set to “none” on your printer dialog box

- Once printed, measure the ruler below. Verify it is exactly 5 cm long.

- Select a ring that properly fits the intended finger. Place the ring over the circles below, matching the inside edge of the ring to the circle nearest in size. This measurement refers to the inside diameter of the ring. The right ring size is identified whenever the inside edge is well aligned.
